beautyguide

Get a head start.

Happy roots, happy hair. Start with John Frieda Root Awakening Strength Restoring Shampoo and Conditioner, \$6.49 each, with scalp-stimulating eucalyptus. Follow with TreSemmé 24 Hour Body Root Boosting Spray, \$4, for lots of lift.

Be cheeky.

Leaves of skin-warming bronzer, tone-evening powder, and radiance-boosting highlighter are layered in Physician's Formula Organic Wear 100% Natural Origin Face Sculpting Trio, \$14, for contoured cheeks in one fell swoop.

Beauty Checklist

The one to-do list you'll want to do—all at the drugstore!

Check this out: Dove Go Fresh Body Wash in Burst, \$4.49, is juicy tangerine and white ginger deliciousness.

Smell like a star.

Sexiest woman alive? You'll feel that way wearing Halle by Halle Berry eau de parfum, \$35, a woody oriental with notes of mimosa and fig.

Suspend your disbelief

...with this month's MVP. CoverGirl and Olay have teamed up to create Simply Ageless Foundation, \$14, collagen-boosting makeup that miraculously stays suspended—it won't settle into fine lines and wrinkles, so you'll look younger. We believe!

Challenge yourself to a dual.

New dual-chambered products join protection with hydration: Try Nexxus Dualiste Color Protection + Intense Hydration Conditioner (left), \$15.70, and Bioré Dual Fusion Moisturizer + SPF 30, \$15.
